

2021 Annual Meeting Notice and Information

Dear GPCA Member:

Due to the continued COVID pandemic, the Great Pyrenees Club of America's Board of Directors has postponed the 2020/2021 GPCA National Specialties to November 7-13, 2021.

However, per the Bylaws, the club must still have an Annual Meeting between the end of March and beginning of May:

Article II - MEETINGS

Section 1. ANNUAL MEETING. The Annual Meeting of the Club shall be held on or between the last week-end in March and the first week-end in May in conjunction with the Club's Annual Sanctioned Match, or Specialty Show, if possible; at a place, date and hour designated by the Board of Directors. Written notice of the Annual Meeting shall be mailed by the Secretary to each member at least 30 days prior to the date of the meeting. The Quorum for the Annual Meeting shall be 10% of the full members in good standing.

The Board of Directors will be utilizing Zoom teleconferencing again for this year's Annual Meeting as we are unable to meet in person.

The Annual Meeting will take place on May 1, 2021, at 5 pm, EDST. This meeting will be abbreviated. It will only include the following reports: President's, Vice President's, Secretary's, Treasurer's, Judge Selection Committee for the 2023 GPCA National Specialty Judge, and the 2020/2021 National Specialties. No roll call will be taken. No Unfinished or New Business will be entertained as any vote would be unverifiable. Members may connect via the Zoom link attached. Members also have the option to call into the phone number that pertains to their specific geographical area per the attached list. Then, use the passcode: 92894374124#. We are grateful that Bret Zacher has agreed to moderate for us again this year. This call will be recorded for internal GPCA record keeping.

There will be a general membership meeting held on Friday, November 12, 2021 at 4 pm, EST, during the week of the postponed 2020 and 2021 National Specialties at the Founders Inn, Virginia Beach, Virginia.

Although motions and discussions will not be possible with the Annual Meeting, members may reach out to any Board member with business that they would like to be addressed. Such topics will be considered during BOD meetings both before the Annual Meeting on May 1st and before the general membership meeting on November 12th.

At next year's 2022 Annual Meeting, normal operations of the GPCA will resume.

Thank you for your understanding in this extraordinary matter.

Wishing you well,

The 2020-2021s GPCA Board of Directors
